

Golden Rules of

School Bus Safety

Wait for the bus to stop & watch for the driver to signal before approaching.	Keep volume down on radios and CD and cassette players.
Wait for the bus in well-lighted places.	Follow the driver's instructions.
Wear bright clothing. Attach reflective accents.	No rough-housing or horseplay.
Approach and board the bus in a single line.	Move away from the bus as soon as you leave it.
Stay in your seat.	Don't throw things.
Don't talk to the driver unless necessary.	Be patient with younger children and set a good example.
