

Guide for Minors in Economics

February 2008

Name: _____ Student ID _____ Phone: _____

E-Mail Address _____ Major _____ Adviser _____

Economics Minor: The minor in economics complements many other majors by helping the student develop an analytical approach to understanding human events from the perspective of this discipline. Examples of topics included are general levels of prices, employment and output, relative prices, and the consequences of various market forms. Students must earn a 2.00 minimum grade point average that is based upon the courses used to satisfy the minor requirements.

Required Courses: (Minimum of 18 credits).

	Credits	Grade	Semester Taken
