Father Times is an educational newsletter series designed to provide fathers and father figures of young children with quality information and ideas about healthy parenting and child development. It also is appropriate for mothers or other caregivers of young children.

Father Times is a practical parent education tool that is anchored on a sound research base and provides a proven, father-friendly approach to sharing information and ideas with men as parents. It includes a variety of features designed to teach, share examples, encourage discussion and provide activities that fathers or father figures and children can do together.

The *Father Times* parenting newsletter is targeted at fathers or father figures of young children (ages 0 to 8) and those who support them. It is intended to increase parents' knowledge, provide parents with confidence and promote healthy parenting practices. The *Father Times* parenting newsletter is available in two versions, an in-depth eight-page version (recommended) and a shorter four-page version. Newsletters in both English and Spanish versions are included.

The cost of the newsletter series and resource guide on CD is \$60 plus shipping and handling. The cost of the newsletter series and resource guide as a printed packet on white paper is \$80 plus shipping and handling.
